

MOTOR VEHICLE INFORMATION

Each foster parent must have a valid license, registration, and active/current automobile insurance. Failure to keep the aforementioned in good standing may affect your ability to become or maintain your certification. All traffic violations (i.e. speeding tickets and other moving violations), in addition to, any criminal traffic, charges such as a DUI should be reported immediately to either your caseworker or the on-call worker.

Please complete the following:

	Yes	No
Is your current driver's license suspended or revoked?		
Have you been found guilty of driving while intoxicated, reckless driving, hit and run, illegal drug use, or negligent homicide within the last three years?		
Have you had three or more accidents within the last three years?		
Does your driving record include capital violations such as homicide or assault with a motor vehicle or theft of a motor vehicle?
